Zone Chairman's Message

There has been a lot happening around our Zone in the past couple of months and by the looks of it there is a lot more to come in the next little while.

The District Governor and I have completed all our official visits to the clubs in 19A2. I personally would like to thank all the clubs for their hospitality. I felt very at home while visiting the various clubs. I hope to see more of you during the remainder of the current Lion's year.

Membership in our Zone is up slightly from the start of the year despite some drops. Deep Cove and Lynn Valley have brought in some new members and I understand are contemplating the addition of some additional new members. Work is still ongoing with the formation of a new club in the Edgemont area and Mt. Seymour is working on forming a School Based, Leo's club. At last count, there were 50 students interested in joining. Good luck to all those involved in these undertakings.

Clubs should be in the process of establishing their nominating committees in order to put together their slate of club officers for the coming year. The new officers must be reported by April 15th.

A reminder that our Spring Conference is coming soon, April 25th & 26th early bird registration for the entire conference is only \$88.00. Lets have a great showing from our Zone.

Last is a reminder to get your orders in for tickets to our Zone Rally.

GUEST SPEAKERS:

Constable Nathan Olson – North Vancouver RCMP (Fraud)

Constable Kerry Johnson – North Vancouver RCMP (Crime Stoppers)

ENTERTAINMENT:

Bernie & Rob

CONSTABLE NATHAN OLSON is a 7 year Regular Member of the Royal Canadian Mounted Police currently posted to the North Vancouver RCMP Detachment. He has worked General Duty, Traffic, and is currently assigned to the Economic Crime and Anson Unit.

For the past three years Nathan has been involved in a multitude of complex financial crime investigations and has become proficient investigating counterfeit currency and payment card fraud. He has also gained experience in fraud relating to identity theft, mass marketing, mortgages, internal theft, and money laundering.

Nathan was born and raised in Clearwater, BC and attended Thompson Rivers University prior to joining the RCMP. Nathan resides in Langley with his wife who is also an RCMP Constable, and two young children.

CONSTABLE KERRY JOHNSON has been a Regular Member of the Royal Canadian Mounted Police and posted to North Vancouver since July 2007. She worked in General Duty for three years until June 2010 when she was given the opportunity to work on a federal project working out of the then Headquarters in Vancouver. She returned to North Vancouver in December 2012 to work full time in the General Investigation Section. She took over handling the Crime Stoppers tips in January 2013 and has been in charge of all the tips that come in to North Vancouver detachment since.

Kerry has been happily married for two and a half years and has a 14 year old step son. She feels a great deal of pride not only wearing her Red Tunic for Remembrance Day, but also when wearing the Royal Canadian Mounted Police daily uniform.

ROB JOHNSON (left) and BERNIE MOTUT met in high school in the early 60s in Mission BC. Inspired by the music of "The British Invasion", they formed a rock 'n' roll band and spent their teenage years playing at dances throughout the upper Fraser Valley. Forty years later, the group was asked to re-form for Mission High School's 2008 40th Grad Reunion. It was a great success and encouraged Bernie and Rob to continue their collaboration in music. "As musicians," says Motut, "we are determined to keep the old songs alive; not necessarily the big hits of the past, but especially those tunes we just don't hear anymore." Harmony plays a big part in their repertoire. "To our amazement," says Johnson, "forty years later our voices still blend together well... and we find our current audiences seem to enjoy the music as much as we do." To hear Bernie and Rob play is to step back into a golden era when tight harmonies and great lyrics formed the soundtrack of our lives.

Dear Lions Leaders and Fellow Lions,

Five years have come and gone since Vancouver Granville Lions Club was born. Already there are many remarkable achievements on our resume, yet there are much more left to be done. As such, I'm happy to announce our 5th Anniversary Fundraising Dinner is to benefit the **BC Children's Hospital Foundation** as well as **Habitat for Humanity**. Lions, family, and friends are welcome to participate in a wonderful evening. Fundraising activities include silent auction and raffle tickets. As the main thrust of the night, Lions, family, and friends are encouraged to pledge to make a donation of \$500.00 for two songs that would perform for the audience. (Tax receipt will be provided.)

Over the years, we have supported many charity groups, and the Children's Hospital has a special meaning. As Robert Brault says it best, *"The world is as many times new as there are children in our lives."* Caring for the old, and the young, is what makes us human being, human. They need us; we need them.
